FUTURE CAPITAL GAINS TAX RECEIPTS: ELIZABETH BRADLEY QUOTED IN GB NEWS

Aug 31, 2026

Summary

Elizabeth Bradley, Global Practice Group Leader for our Tax, Employee Benefits and Private Client practice, was quoted in *GB News* on 27 August 2026 in an article examining record Capital Gains Tax receipts and the potential implications for future tax revenues.

Elizabeth Bradley cautioned that the record haul may prove fleeting.

She said: "Today's meteoric rise in CGT liabilities offers the Chancellor some short-term relief, but it may be a sugar hit caused by forestalling."

"These bumper liabilities could be borrowing from future years, leaving a hole in the medium-term fiscal plan."

"Some taxpayers could accelerate disposals ahead of the forthcoming Autumn Statement from the new Chancellor, while others may simply defer gains for years, a pattern seen repeatedly after past CGT reforms."

"Either way, today's rise may not translate into stronger receipts for the rest of this Parliament."
