LAURA BRANK AND ALEXIS EARLY SHARE INSIGHTS ON TARIFFS WITH INSIDE US TRADE

Oct 06, 2026

Partners Laura Brank and Alexis Early recently shared insights with [Inside US Trade](#) about President Trump being granted new authority to impose duties on the top buyers of Russian energy products by Congress.

In the article, they analyzed the potential impact of new Russia-related tariff authorities, noting that strategic relationships with China and India may lead the Trump administration to delay or narrowly apply the measures.

Laura and Alexis told Inside US Trade that it was unlikely that the Trump administration would impose new duties within 30 days because it could inject uncertainty into bilateral talks.
