U.S. – CARES Act Waiver of 2020 Required Minimum Distributions

The Coronavirus Aid, Relief, and Economic Security, or “CARES Act”—the third emergency bill that Congress has passed in response to the novel coronavirus (COVID-19) pandemic—was signed into law on Friday, March 27, 2020. The CARES Act contains certain relief provisions for retirement accounts. BCLP lawyers have been

analyzing the bill and stand ready to advise clients on what impact it may have on their retirement plans and tax planning.
