F: +1 816 374 3300

BCLP's Kansas City office opened in 1988 to meet the needs of clients in the western part of Missouri, as well as in Kansas, Iowa, Nebraska and Oklahoma. With more than 50 lawyers, we practice in a wide range of legal services with a particular emphasis on corporate, banking, commercial litigation, real estate, labor and employment, restructuring and securities work. Our lawyers are consistently honored in publications such as Best Lawyers in America, Chambers USA and Super Lawyers.

Our Kansas City office offers the advantages and resources of a large international law firm coupled with the atmosphere of a location in the heartland. The people in our office have a strong sense of civic responsibility. We share a vision and commitment to make the communities we live in better. Our lawyers and staff contribute countless hours toward charitable organizations, local, regional and national entities, advocacy groups, schools and many other community organizations where our involvement makes a difference. Our lawyers and staff lend support to programs such as: Legal Aid of Western Missouri, Operation Breakthrough, Urban League of Kansas City, American Heart Association, Jewish Family Services, Boy's and Girl's Clubs of Greater KC, Heart of America United Way, Rose Brooks Center, Habitat for Humanity, Volunteer Attorney Project, Harvesters, Community Food Network, The Ronald McDonald House, and The Leukemia & Lymphoma Society. Our pro bono services have been recognized with awards from the The Missouri Bar and the Kansas City Metropolitan Bar Association.

In Kansas City, we support numerous programs and sponsorships aimed at increasing diversity in the workplace. We commit to programs and sponsorships to support key initiatives in our city, such as the University of Missouri-Kansas City Professor Robert Downs and Pipeline to the Future scholarships; the University of Kansas, Diversity in Law Banquet and Journey to J.D. Summer Camp scholarships; and the annual Heartland Diversity Legal Job Fair. Our differences bring richness to our professional experiences and enable us to better serve our clients. It takes every one of us in the Kansas City office to carry the responsibility of serving our clients and we embrace every opportunity to do so.

**Environmental Justice Revisited**

Since January 20, 2025, the Trump Administration has implemented numerous changes to federal environmental justice (“EJ”) initiatives which are expected to result in reduced permitting and regulatory burdens. While the current administration may continue to make changes to EJ policies on a federal level, it is important to know that many states still have their own EJ policies that remain enforceable. This insight discusses the following three things: provides the necessary historical context regarding EJ; outlines the recent actions by the Trump Administration; and explores some state regulations and potential ramifications for your business. It is vital for your business to stay current with these developments and to consult with legal counsel before making any changes to your operations based on the current administration's actions.
