T: [+44 \(0\) 20 3400 3765](tel:+44(0)2034003765)

BIOGRAPHY

Daniel is experienced in complex development and investment real estate transactions across a range of sectors including office, retail, logistics and infrastructure. He advises institutional investors, private equity funds, sovereign wealth funds and developers on multi-disciplinary single asset and portfolio transactions. Daniel has worked on a variety of ESG-related projects including the site acquisition, equity and debt financing, and development of two London office towers and he regularly advises clients on sustainability and green lease obligations between owners, occupiers and developers.

Daniel is actively involved in a range of DEI initiatives, sitting on the BCLP's steering committees for the Race and Ethnicity Network and the Social Inclusion Network as well as being trustee for a charity.

THE SUSTAINABILITY IMPERATIVE

The sustainable real estate imperative

Read our first report that reveals how the “green premium” is impacting commercial real estate values, with over 71% of investors expecting properties with strong energy performance standards to have a higher resale value than an equivalent property with lesser energy credentials. Sustainability is shaping the commercial real estate market.
