### **UK - Covid-19 - BCLP Retail Insight: The Week That Was, Vol 11**

This week the BCLP Retail team highlights a blog by our Planning & Zoning team on the recent High Court dismissal of a challenge to the recent changes to the Use Classes Order and General Permitted Development Order. We also consider a possibility for high street revitalisation through office conversions, discuss the influence of retail pricing on inflation and look at prospects for retailers in the coming holiday season. Also included is the most recent update to our timeline of sector-relevant measures.

## **UK - Covid-19 - BCLP Retail Insight: The Week That Was, Vol 9**

This week, the BCLP Retail team discuss the latest round of government restrictions to reduce the spread of Covid-19, and offer an updated timeline of relevant measures. We look at potential uses of empty retail space and analyse the effects of the pandemic on store closures. Lastly, we look at a government proposal for retailers to provide free public cashback services.

## **UK – Covid-19 - BCLP Retail Insight: The Week that Was, Volume 7**

This week the BCLP Retail Team look back on the variety of changes since the start of lockdown, presented here in an interactive timeline. We discuss the raft of new measures introduced by the Government as cases increase, and the extension of the ban on evictions for business tenants. We also bring you an informative conversation regarding the new Use Classes Order, its relevance to retailers and its place in the Government's planning reforms.
