SPORTS & ENTERTAINMENT

OVERVIEW

The world of sports and entertainment has become a world of big business, and it has quickly become a truly global business. This is true both for sports and entertainment businesses whose ability to compete on the field or the stage is dependent on their ability to generate revenues and compete in the business world and for businesses in other industries increasingly looking to sponsorship opportunities as a means to advertise their products and services. As the complexity - and the stakes - of the business of sports and entertainment continue to grow, we believe that so too does the need for sophisticated counsel with a deep understanding of the issues that matter to you, the experience necessary to effectively and efficiently help you achieve your goals and a track record of delivering results for our clients on the matters that mean the most to them.

We are one of only two law firms in the world recognized by Chambers, a directory of the most widely recommended law firms and lawyers with rankings based on client input, as having one of the leading sports practices in both the United States and the United Kingdom. Hundreds of clients across multiple sports and around the world have relied on our lawyers to help grow their businesses, protect their interests and compete. We offer our clients the unique experience and relationships of our over 100 Sports and Entertainment Group members across the United States, in the United Kingdom and across Europe, Asia and the Middle East, practicing in a variety of transactional, litigation, regulatory, real estate and financial institutions practice groups.
