EXPERIENCE

- *Complex Commercial* – Tried and won dispute involving a closely held company in which the minority shareholder was frozen out by the majority shareholder. Tried and won an arbitration in which a food manufacturer complained that a food colorant was defective and should be removed from the marketplace. Tried and won an appeal from the Missouri Supreme Court on a put option agreement for shares of a company. Over the years, represented clients in cases involving breach of contract, warranty, UCC, fraud, RICO, federal and state consumer protection statutes and antitrust claims
- *Class Actions* – Tried and won a nationwide class action against an automobile manufacturer from whom plaintiffs sought over \$2 billion in damages. Won the dismissal of a class action against a federal thrift based on pre-emption grounds. Over the years, represented clients in class actions involving financial services, telecommunications, industrial gases, lead, tobacco, publishing, consumer goods, commercial products, toys, and computer software and hardware
- *Products Liability* – Represented clients in strict liability, negligence and related actions involving machine equipment, chemical equipment, power tools, plumbing supplies, automobiles and other consumer goods. Secured a settlement for an industrial gas

manufacturer after an explosion at one of its plants. He also tried and won "hot coffee" cases against a national restaurant chain

- *Non-Compete/Trade Secrets and Intellectual Property* – Represented employers and employees in non-compete/trade secret cases across the country. Represented clients in patent and trademark cases including claims of infringement, lost profits and reasonable royalties, willful infringement and the award of pre-judgment interest
